Free Fishing Weekend

On the first weekend of June, fishing is free in Kentucky. Before the weekend, the Department of Fish & Wildlife stock the lake.

YodaMaps

September, 2021

Jacobson Park is a 216-acre park located in east Lexington. The park includes a reservoir used by the Kentucky American Water Company

Fishin' spots are located in several areas throughout the park and are accessible to wheelchairs.

Disc Golf Course

This championship 18-hole course is in one of Lexington's most beautiful parks. The front nine is wooded with three holes in a large pine forest. The back nine is open with stands of mature trees.
